WITHTEX
2023

Welcome to WithTex - Your Trusted Apparel Sourcing Partner! With a focus on quality, competitive prices, and exceptional service, we are here to meet all your garment sourcing needs. Explore our diverse range of products and experience our commitment to sustainability, compliance, and design innovation. We look forward to building a successful partnership with you. Welcome to the WithTex family!

TEAM, WITHTEX

ABOUT US

WithTex is a reputable garment apparel sourcing house that embarked on its official journey in 2021. With a commitment to providing the highest quality products at competitive prices, we specialize in sourcing a wide range of garments for our valued clients. From trousers and denim to sweaters, shoes, and home textiles, we cater to diverse product categories, ensuring an extensive selection to meet our clients' specific needs.

VISION

Our vision is to establish WithTex as a trusted global leader in garment sourcing. We aspire to revolutionize the industry by continuously embracing innovation, embracing sustainable practices, and fostering long-term partnerships with clients and suppliers. Through our unwavering commitment to quality, compliance, and customer satisfaction, we aim to shape the future of apparel sourcing.

WITHTEX
2023

MISSION

At WithTex, our mission is to be the preferred apparel-sourcing partner for businesses worldwide. We strive to exceed customer expectations by offering impeccable quality, exceptional service, and efficient sourcing solutions. By forging strong partnerships with manufacturers and suppliers, we aim to deliver the best value for our clients while adhering to the highest ethical standards.

QUALITY ASSURANCE

PAGE 05

At WithTex, we understand the significance of quality in the garment industry. We have implemented robust quality control measures throughout our sourcing process to ensure that every product meets the highest standards. Our experienced quality control team conducts rigorous inspections at every stage, from sourcing raw materials to final production, guaranteeing that only superior products reach our clients.

COMPLIANCE

PAGE

06

Ethical business practices and compliance with industry regulations are integral to our operations. We are committed to working with suppliers who adhere to fair labor practices, provide safe working conditions, and promote environmental sustainability. By closely monitoring and auditing our supply chain, we ensure that all our partners share our commitment to social responsibility.

DESIGN STUDIO

WithTex boasts a state-of-the-art design studio equipped with talented designers who possess a keen understanding of fashion trends and consumer preferences. Our design team collaborates closely with clients to develop customized designs that align with their brand identity. From conceptualization to sample development, we provide comprehensive design services that bring our client's visions to life.

SUSTAINABILITY

PAGE 08

As stewards of the environment, WithTex is dedicated to promoting sustainability in the garment industry. We actively seek out eco-friendly materials and production processes to minimize our carbon footprint. By encouraging the use of organic fabrics, reducing waste, and supporting ethical sourcing, we strive to contribute positively to a more sustainable future for the apparel industry.

WITHTEX
2023

Better Cotton Initiative (BCI), making global cotton production better for the people who produce it, better for the environment it grows in, and better for the sector's future.

Oeko-Tex standards, certifying products are free of harmful chemicals and are safe for human use.

Global Organic Textile Standard (GOTS), processing standard for organic fibers, including ecological and social criteria, backed up by independent certification of the entire textile supply chain.

Global Recycled Standard (GRS), intended for companies making and selling products with recycled content. This standard applies to the full supply chain and addresses traceability, environmental principles, social requirements, and labeling.
